

SOE's Corporate Partnership scheme offers your organisation a mutually beneficial relationship that gives access to consultation, advice and promotional services.

- Free unlimited accreditation approval of training schemes/programmes/courses (organisation only pays for travel and subsistence for SOE panel members)
- No membership application fees, and discounted membership rates for company employees if the company pays directly
- Free mentoring and professional registration workshops for employees
- Use of the SOE Corporate Partner logo for enhanced quality and public recognition through association with SOE and its Professional Sectors
- Complimentary subscription to SOE's technical journals Transport Engineer and/or Plant Engineer
- Free inclusion in the online Transport Engineer and/or Plant Engineer Supplier Directories
- Discounted rates for advertising in Transport Engineer and/or Plant Engineer
- Opportunity to submit articles for inclusion in SOE journals
- Corporate Partner plaque
- Company profile and link on the SOE website
- Special corporate partner exhibition and member delegate rates for SOE events
- Discounted room hire rates at SOE's head office in London

Engineering a better future with SOE Corporate Partnership
